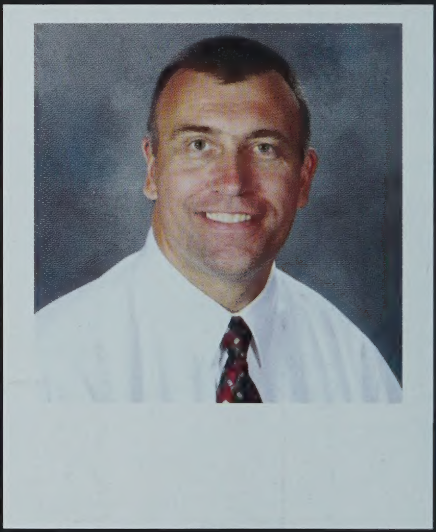
Letter From the Principal

To the Class of 2014:

It is with great pleasure and pride to write a message to you for your yearbook. I feel fortunate to be the principal of Mansfield High School and to have been a part of your academic and personal growth. The Class of 2014 has lived up to the tradition of excellence in the classroom and in extra-curricular activities that we have come to expect at Mansfield High School. Each year I challenge all of the members of the Senior Class to set a positive example in the classroom, the hallways and in extracurricular activities. You exceeded my call to be role models for the underclassmen, as well as respectful ambassadors of our school community. You have also extended your influence beyond our school to donate many hours of volunteer work to countless number of charities. You are leaving MHS and your surrounding community in a better place and I thank you for your collective efforts.

Congratulations to the Class of 2014. On behalf of the faculty and staff, we thank you for your achievements and contributions. We are proud of you and wish you success and happiness as you move forward with your post high school plans. Upon your graduation you will become a member of the MHS alumni. We hope that you are proud of this and look back upon your time as positive and enriching. I urge all of you to stay in touch and find ways to stay connected to the community that helped to foster your development over the past thirteen years.

Respectfully,
Michael T. Connolly



Dedication

The class of 2014 would like
to thank
our class advisors,

Mrs. Savoie,
Mrs. Harrison,
and Mrs. Harrington

for their endless support and guidance throughout our high school experience. All the time and effort you put into our class over the past four years is greatly appreciated. We can not thank you enough for all effort you put forth while helping us fundraise and run extremely successful events like the unforgettable prom at Gillette and organizing all of our end of the senior events. We will miss you next year you have helped make our high school experience one we will not forget.

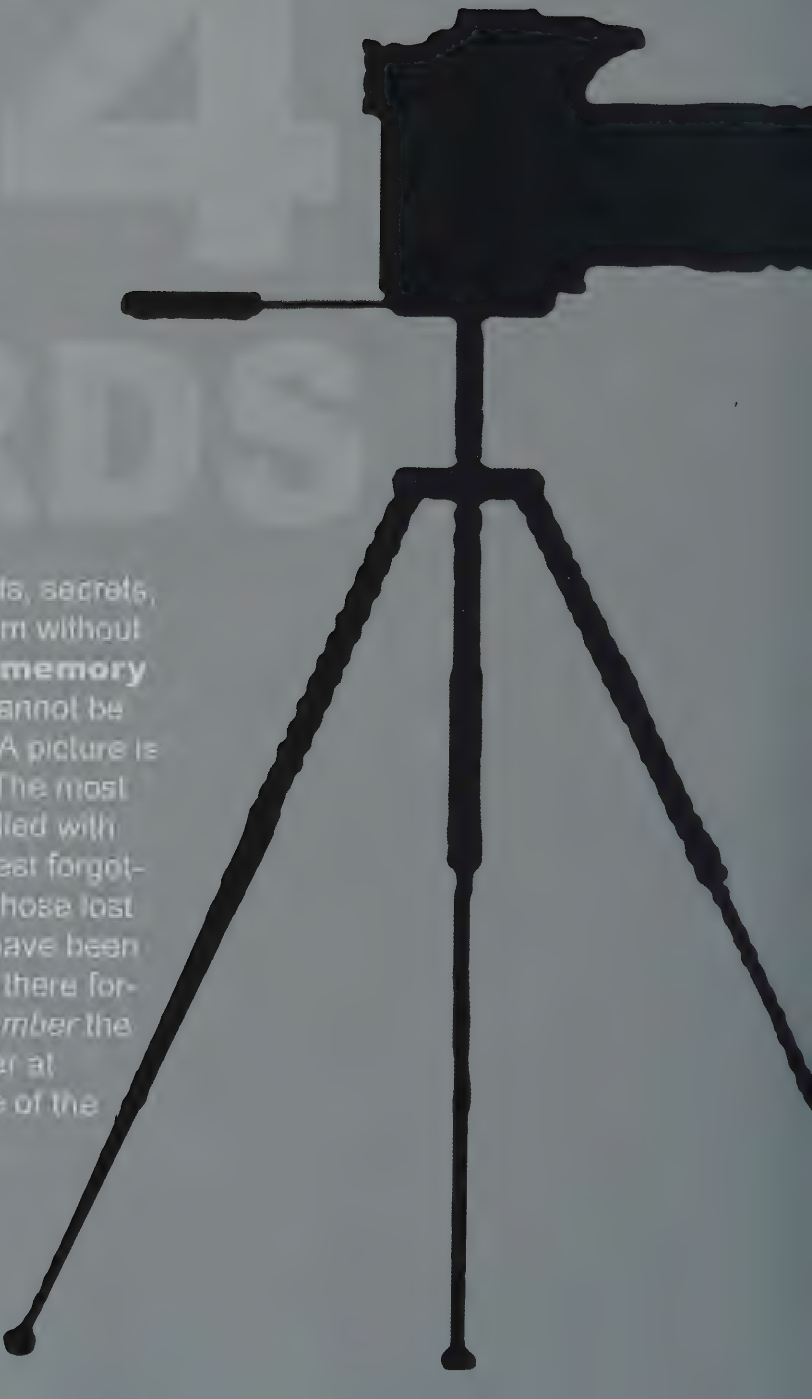
WORDS



A picture's worth 2014 words, moments, secrets, emotions and **memories**. It's a poem without the words; a way to bring back a lost **memory** at a glance. When the right words cannot be found, a picture *speaks* without them. A picture is a **memory** you can hold and feel. The most beautiful pictures taken are those filled with **memories**. Little moments are easiest forgotten, but pictures bring back 2014 of those lost words. The **memories** made here have been *captured* in this book and will remain there forever for us to look back on and *remember* the years we spent growing together at Mansfield High School, truly some of the **best years of our lives**.

MANSFIELD

The Mansfield Hornets capped off their 2013 season when they defeated St. John's Prep Pioneers 28-14 in the Division II Super Bowl. The team was led by Coach Michael Redding to come out as undefeated State Champions with the record of 13-0. This is Mansfield Football's first time in all of history that the team has been ranked number one in the state in all polls. The running game was in full force for Mansfield. Miguel Villar-Perez ran for 120 yards and a touchdown while Alex Ruddy ran for two scores. Michael Hershman ran for another as the Hornets claimed their seventh Super Bowl title. Hershman was also named MVP of the game. The Hornets were escorted to the high school by the Mansfield Fire and Police Departments where they were welcomed by proud family, friends, and alumni.
